

Product Guide

Mechanical Dimensions (mm) :

Schematic :

Key Specifications/ Special Features:

220v/380v

4kv/10kv/15kv/20kv

Pin type

Packaged Separately by Plastic foam in Carton

Epoxy filled, Adapt to all kinds of bad weather

Custom Specifications

Customizable voltage ratio

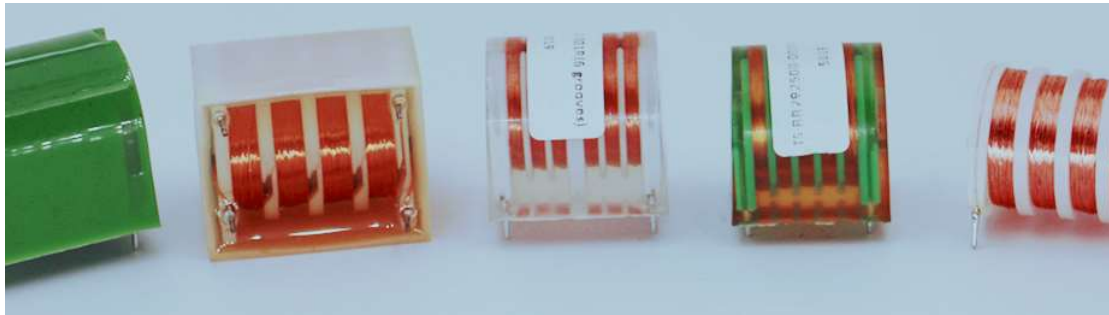

High power DC two-phase design

The best PC44 material

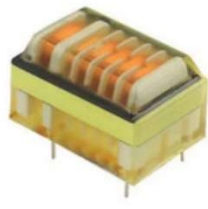

High efficiency and durable life

Application:

Suitable for boiler, PCB Mounting, gas burner, kitchenware stove, killing lamp, air purifier, ozone generator, EL/CCFL inverter and beauty equipment etc.
